

elkuch[®] double sleeve

Double sleeve / Slip-over hub

made from HDPE

colour black (further colours on request)

Advantageous features

- Shock-resistant
- Temperature resistant from -20° C to +80° C
- UV-resistant
- Re-usable
- Watertight up to 0,5 bar (DIN norm)

Easy application

The ideal connection technology for plastic pipes, equipped with a pressure-tight rubber seal. Economical and reliable due to a longitudinal friction-locked and permanent connection.
